. **DevLab (BETA) Branch LIVE!**:

Hi everyone,

We're excited to announce that a beta branch is now available for this game!
If you'd like to participate, here is the Beta Access Code: **gamescientist**

The branch is called the devlab branch, and we'll be using this branch to post new features in between major updates, so that you don't have to wait too long for a major update to go live.

To find out more about this, make sure to read our [Devlog](#).

We also have a [Guide](#) ready for you if you're having trouble setting up the devlab branch. And make sure to subscribe to this [Discussion](#) to not miss out on new features available for the devlab branch.. **Beta update 243904 promoted to main**:
The beta update 243904 has been promoted from public beta to main.

Changes:

- Added "Toggle last weapon" control.

- Added 'Use lives' cooperative option, defaults to YES.

- Fixed stretching of Netricsa icon texture and moved icon position so it doesn't overlap Armor element.

- Increased forced shoot period for Mental Institution fighters bomb drops so player stands a better chance of defeating

Mental Institution without Serious Damage.

- Fixed force field for Jungle Stadium loop that was too small and made it hard to make the loop.

- Fixed a place where players can get stuck at the end of Doomed Canyon level.

- Fixed vertical weapons list not switching weapons when shortcut keys are used.
